2024 Benefit Catalog

Order online at MyTruAdvantageOTC.com

Your OTC benefit plan

Each eligible plan subscriber receives a quarterly OTC allowance of \$75 to purchase select health and wellness products through the OTC Drug Catalog.

Any unused balance at the end of each quarter will rollover into the next quarter up to a maximum of \$150. Any amount greater than \$150 will not roll over from one quarter to the next. Benefits not used prior to December 31, 2024 will be forfeited.

What is covered within your OTC allowance?

Eligible products include OTC remedies or medicines to alleviate or treat illness or injury, dental care products, eye and ear care products, and incontinence supplies (adult diapers). These products do not require a prescription from a health care provider.

± Dual Purpose products are products that may serve more than one purpose. These products are sometimes used to alleviate or treat a medical condition or they may be used to promote general health and well-being. These products do not require a prescription from your provider to purchase. However, we strongly recommend that you discuss these products with your medical provider prior to ordering or using. For your convenience, we have identified the dual purpose categories throughout the catalog. *Dual Purpose items in this catalog are marked with an (±).*

* **Part B/D** - Under certain circumstances some items may be covered under either Part B or Part D. When you are eligible to receive these items under Part B or Part D you may not purchase these items through your Part C supplemental OTC benefit. For your convenience, Part B/D items in this catalog are marked with an (*).

Ordering Deadlines

If your order is received after the last day in a quarter, it will apply toward the next quarter. For example, if you mail your order form on June 29 but we receive it on July 1, your order total will be applied to your Quarter 3 benefit, not your Quarter 2 benefit.

Items in the catalog occasionally change during the year. For the most up-to-date listing of products, product images, sizes, flavors, quantities available, go to MyTruAdvantageOTC.com.
