MyTru Advantage

Hello!

Everyone wants what's best for their friends and neighbors, because we all care about the people who live and work in our own community—the people we call by name. That is the driving force behind the MyTruAdvantage Medicare Advantage plan.

Unlike plans headquartered out of state, MyTruAdvantage was founded by doctors and hospitals right here in Indiana—including Community Health Network, Columbus Regional Health, Deaconess Health System, Schneck Medical Center, and Union Health. We're locally based, and yet we deliver all the competitive benefits you'd get from a national Medicare Advantage plan.

MyTruAdvantage gives you what's great about a Medicare Advantage plan, meaning that you get everything Original Medicare provides—like hospital and doctor visits—plus all the extras, like top dental benefits, vision, hearing, and drug coverage you can always count on. We offer plans starting at $0 per month.

When can you enroll in Medicare or a Medicare Advantage Plan?
Your initial enrollment period runs the three months before, the month of, and the three months after your 65th birthday. You can also enroll if you're not 65 if you have a disability, or in special situations. Want to know more? Give us a call!
