

## MyTruAdvantage Select Plus (HMO) and MyTruAdvantage Choice Plus (PPO) for the \$200 plan

Regular eye exams are a critical step in managing our overall health and wellness. Not only do they help to correct vision problems, but they can also reveal the warning signs of more serious undiagnosed health problems such as hypertension, cardiovascular disease and diabetes.<sup>1</sup>

That’s why, at MyTruAdvantage, we offer Medicare Advantage vision benefits in addition to the care and services provided through our Medicare medical benefits.

Below is a summary of the vision benefits covered by MyTruAdvantage Medicare Advantage vision plan. This is not a complete list of services, limitations and exclusions.
