

More Freedom & Choice

With the Silver&Fit® ASHConnect™ Mobile App

The ASHConnect app offers many features to help you reach your fitness goals. You can easily locate nearby participating fitness centers in our network. You can also sync your Apple Watch® and access thousands of on-demand workout videos. The app is available at no cost in the Apple® App Store for iOS™ devices or from the Google Play™ store for Android™ phones.

Here's how the app works:

1. Search for **ASHConnect** in your phone's app store and download the app.
2. Log in to ASHConnect by using your Silver&Fit website username and password. Note: In order to use the app, you must first go to the Silver&Fit website (www.SilverandFit.com) to register and create a username and password. You will need to accept the app's Terms & Conditions the first time you log in.
3. Click "Next" to move through the first few screens and click "Let's Get Started" to launch the app.
4. To find fitness centers near you, simply enter an address or your zip code in the box at the top of the home screen and click the blue magnifying glass. Your results will appear and you can choose to view them in a list or on a map. You can also select "Filters" to narrow down your results. Don't see your favorite fitness center? Click "Nominate a Fitness Center" to send in your nomination! To enroll in a fitness center, please visit the Silver&Fit website.
5. On-demand workout videos also appear on the home screen. Click "View All" to see all of the videos available through the app!
6. The app also has a dropdown menu in the upper left corner. Click the three lines and a menu will open up which lists out all of the app features, including "My Account" where you can sync your Apple Watch through the Silver&Fit Connected!™ tool.
