What to do now

1. ASK: Which changes apply to you

- Check the changes to our benefits and costs to see if they affect you.
 - Review the changes to Medical care costs (doctor, hospital).
 - Review the changes to our drug coverage, including authorization requirements and costs.
 - Think about how much you will spend on premiums, deductibles, and cost sharing.
- Check the changes in the 2024 "Drug List" to make sure the drugs you currently take are still covered.
- Check to see if your primary care doctors, specialists, hospitals, and other providers, including pharmacies will be in our network next year.
- Think about whether you are happy with our plan.

2. COMPARE: Learn about other plan choices

- Check coverage and costs of plans in your area. Use the Medicare Plan Finder at www.medicare.gov/plan-compare website or review the list in the back of your *Medicare & You 2024* handbook.
- Once you narrow your choice to a preferred plan, confirm your costs and coverage on the plan's website.

3. CHOOSE: Decide whether you want to change your plan

- If you don't join another plan by December 7, 2023, you will convert to MyTruAdvantage Choice Plus (PPO).
- To change to a **different plan**, you can switch plans between October 15 and December 7. Your new coverage will start on **January 1, 2024**. This will end your enrollment with MyTruAdvantage Choice Plus (PPO).
- If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can switch plans or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

SECTION 1 Unless You Choose Another Plan, You Will Be Automatically Enrolled in MyTruAdvantage Choice Plus (PPO) in 2024

On January 1, 2024, MyTruAdvantage will be combining MyTruAdvantage Choice (PPO) with one of our plans, MyTruAdvantage Choice Plus (PPO). The information in this document tells you about the differences between your current benefits in MyTruAdvantage Choice (PPO) and the benefits you will have on January 1, 2024, as a member of MyTruAdvantage Choice Plus (PPO).

If you do nothing by December 7, 2023, we will automatically enroll you in our MyTruAdvantage Choice Plus (PPO). This means starting January 1, 2024, you will be getting your medical and prescription drug coverage through MyTruAdvantage Choice Plus (PPO). If you want to change plans or switch to Original Medicare, you must do so between October 15 and December 7. If you are eligible for “Extra Help,” you may be able to change plans during other times.

SECTION 2 Changes to Benefits and Costs for Next Year

Section 2.1 – Changes to the Monthly Premium

Cost	2023 (this year)	2024 (next year)
Monthly premium	\$0	\$0
Optional Enhanced Dental Package Premium (See section 2.4 for additional benefits for next year)	\$25	Optional Enhanced Dental Package not available
(You must also continue to pay your Medicare Part B premium.)		

- Your monthly plan premium will be *more* if you are required to pay a lifetime Part D late enrollment penalty for going without other drug coverage that is at least as good as Medicare drug coverage (also referred to as creditable coverage) for 63 days or more.
- If you have a higher income, you may have to pay an additional amount each month directly to the government for your Medicare prescription drug coverage.

Section 2.2 – Changes to Your Maximum Out-of-Pocket Amounts

Cost	2023 (this year) MyTruAdvantage Choice (PPO)	2024 (next year) MyTruAdvantage Choice Plus (PPO)
<p>In-network maximum out-of-pocket amount</p> <p>Your costs for covered medical services (such as copays) from network providers count toward your in-network maximum out-of-pocket amount. Your costs for prescription drugs do not count toward your maximum out-of-pocket amount.</p>	\$3,650	\$4,000
<p>Combined maximum out-of-pocket amount</p> <p>Your costs for covered medical services (such as copays) from in-network and out-of-network providers count toward your combined maximum out-of-pocket amount. Your costs for outpatient prescription drugs do not count toward your maximum out-of-pocket amount for medical services.</p>	\$8,950	\$4,000

Medicare requires all health plans to limit how much you pay out-of-pocket for the year. These limits are called the maximum out-of-pocket amounts. Once you reach this amount, you generally pay nothing for covered Part A and Part B services for the rest of the year.

Section 2.5 – Changes to Part D Prescription Drug Coverage

Changes to Our “Drug List”

Our list of covered drugs is called a Formulary or “Drug List.” A copy of our “Drug List” is provided electronically.

We made changes to our “Drug List,” which could include removing or adding drugs, changing the restrictions that apply to our coverage for certain drugs or moving them to a different cost-sharing tier. **Review the “Drug List” to make sure your drugs will be covered next year and to see if there will be any restrictions, or if your drug has been moved to a different cost-sharing tier.**

Most of the changes in the “Drug List” are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules. For instance, we can immediately remove drugs considered unsafe by the FDA or withdrawn from the market by a product manufacturer. We update our online “Drug List” to provide the most up to date list of drugs.

If you are affected by a change in drug coverage at the beginning of the year or during the year, please review Chapter 9 of your Evidence of Coverage and talk to your doctor to find out your options, such as asking for a temporary supply, applying for an exception and/or working to find a new drug. You can also contact Member Services for more information.

Changes to Prescription Drug Costs

Note: If you are in a program that helps pay for your drugs (“Extra Help”), **the information about costs for Part D prescription drugs may not apply to you.** We sent you a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also called the Low-Income Subsidy Rider or the LIS Rider), which tells you about your drug costs. If you receive “Extra Help” and you haven’t received this insert by September 30th, please call Member Services and ask for the LIS Rider.

There are four **drug payment stages**. The information below shows the changes to the first two stages – the Yearly Deductible Stage and the Initial Coverage Stage. (Most members do not reach the other two stages – the Coverage Gap Stage or the Catastrophic Coverage Stage.)

Changes to the Deductible Stage

Stage	2023 (this year)	2024 (next year)
<p>Stage 1: Yearly Deductible Stage During this stage, you pay the full cost of your Tier 3, 5 and 5 drugs until you have reached the yearly deductible.</p> <p>The deductible doesn't apply to covered insulin products and most adult Part D vaccines, including shingles, tetanus and travel vaccines</p>	<p>The deductible is \$0 for Tier 1 (Preferred Generic), Tier 2 (Generic) and Tier 6 (Select Care Drugs).</p> <p>The deductible is \$100 per year for Tier 3 (Preferred Brand), Tier 4 (Non-Preferred Drug) and Tier 5 (Specialty).</p> <p>You won't pay more than \$35 for a one-month supply of each Select Insulin product covered by our plan, no matter what cost-sharing tier it's on and even if you haven't paid your deductible.</p> <p>During this stage, you pay \$0 cost sharing for drugs on Tier 1 (Preferred Brand), Tier 2 (Generic), and Tier 6 (Select Care Drugs) and the full cost of drugs on Tier 3 (Preferred Brand), Tier 4 (Non-Preferred Drug), and Tier 5 (Specialty) until you have reached the yearly deductible.</p>	<p>Because we have no deductible, this payment stage does not apply to you.</p>

Changes to Your Cost Sharing in the Initial Coverage Stage

Stage	2023 (this year)	2024 (next year)
<p>Stage 2: Initial Coverage Stage</p> <p>Once you pay the yearly deductible, you move to the Initial Coverage Stage. During this stage, the plan pays its share of the cost of your drugs, and you pay your share of the cost.</p> <p>Most adult Part D vaccines are covered at no cost to you.</p>	<p>Your cost for a one-month supply filled at a network pharmacy:</p> <p>You won't pay more than \$35 for a one-month supply of each Select Insulin product covered by our plan, no matter what cost-sharing tier it's on.</p> <p>Tier 1 (Preferred Generic): <i>Standard Cost Sharing:</i> You pay \$7 per prescription. <i>Preferred Cost Sharing</i> You pay \$2</p> <p>Tier 2 (Generic): <i>Standard Cost Sharing:</i> You pay \$14 per prescription. <i>Preferred Cost Sharing:</i> You pay \$8 per prescription.</p> <p>Tier 3 (Preferred Brand): <i>Standard cost sharing:</i> You pay \$47 per prescription. <i>Preferred cost sharing:</i> You pay \$42 per prescription. You pay \$35 per month supply of each covered insulin product on this tier</p>	<p>Your cost for a one-month supply filled at a network pharmacy:</p> <p>Due to the Inflation Reduction Act (IRA), you won't pay more than \$35 for a one-month supply of each insulin covered under the plan.</p> <p>Tier 1 (Preferred Generic): <i>Standard Cost Sharing:</i> You pay \$6 per prescription. <i>Preferred Cost Sharing:</i> You pay \$0 per prescription.</p> <p>Tier 2 (Generic): <i>Standard Cost Sharing:</i> You pay \$15 per prescription. <i>Preferred Cost Sharing:</i> You pay \$5 per prescription.</p> <p>Tier 3 (Preferred Brand): <i>Standard cost sharing:</i> You pay \$47 per prescription. <i>Preferred cost sharing:</i> You pay \$37 per prescription. You pay \$35 per month supply of each covered insulin product on this tier.</p>

Stage	2023 (this year)	2024 (next year)
<p>Stage 2: Initial Coverage Stage Continued-</p> <p>Once you pay the yearly deductible, you move to the Initial Coverage Stage. During this stage, the plan pays its share of the cost of your drugs, and you pay your share of the cost.</p> <p>Most adult Part D vaccines are covered at no cost to you.</p>	<p>Tier 4 (Non-Preferred Brand): <i>Standard cost sharing:</i> You pay \$100 per prescription. <i>Preferred cost sharing:</i> You pay \$95 per prescription. You pay \$35 per month supply of each covered insulin product on this tier</p> <p>Tier 5 (Specialty Tier): <i>Standard cost sharing</i> You pay 31% of the total cost <i>Preferred cost sharing:</i> You pay 31% of the total cost You pay \$35 per month supply of each covered insulin product on this tier</p> <p>Tier 6 (Select Care): <i>Standard cost sharing:</i> You pay \$0 per prescription. <i>Preferred cost sharing:</i> You pay \$0 per prescription.</p>	<p>Tier 4 (Non-Preferred Brand): <i>Standard cost sharing:</i> You pay \$100 per prescription. <i>Preferred cost sharing:</i> You pay \$90 per prescription. You pay \$35 per month supply of each covered insulin product on this tier.</p> <p>Tier 5 (Specialty Tier): <i>Standard cost sharing</i> You pay 33% of the total cost <i>Preferred cost sharing:</i> You pay 33% of the total cost You pay \$35 per month supply of each covered insulin product on this tier.</p> <p>Tier 6 (Select Care): <i>Standard cost sharing:</i> You pay \$0 per prescription. <i>Preferred cost sharing:</i> You pay \$0 per prescription.</p>
<p>Enhanced Benefit: Erectile Dysfunction (ED)</p>	<p>Not a covered benefit</p>	<p>Generic ED medication will be covered under Tier 1 with a quantity of 6 tablets per month under our Enhanced Benefit options. <i>*The benefit is</i></p>

Stage	2023 (this year)	2024 (next year)
<p>Enhanced Benefit: Erectile Dysfunction (ED) continued-</p>		<p><i>limited to 1 generic medication.</i></p> <p>Tier 1 (Preferred Generic): <i>Standard Cost Sharing:</i> You pay \$6 per prescription. <i>Preferred Cost Sharing:</i> You pay \$0 per prescription.</p>
<p>Stage 2: Initial Coverage Stage (continued)</p> <p>The costs in this row are for a one-month (30-day) supply when you fill your prescription at a network pharmacy that provides standard cost sharing.</p> <p>For information about the costs for a long-term supply; at a network pharmacy that offers preferred cost sharing; or for mail-order prescriptions, look in Chapter 6, Section 5 of your <i>Evidence of Coverage</i>.</p> <p>We changed the tier for some of the drugs on our “Drug List.” To see if your drugs will be in a different tier, look them up on the “Drug List.”</p>	<p>Once your total drug costs have reached \$4,660, you will move to the next stage (the Coverage Gap Stage).</p> <p>Once you have paid \$7,400 out-of-pocket for Part D drugs, you will move to the next stage (the Catastrophic Coverage Stage).</p>	<p>Once your total drug costs have reached \$5,030, you will move to the next stage (the Coverage Gap Stage).</p> <p>Once you have paid \$8,000 out-of-pocket for Part D drugs, you will move to the next stage (the Catastrophic Coverage Stage).</p>

Changes to the Coverage Gap and Catastrophic Coverage Stages

The other two drug coverage stages – the Coverage Gap Stage and the Catastrophic Coverage Stage – are for people with high drug costs. **Most members do not reach the Coverage Gap Stage or the Catastrophic Coverage Stage.**

Beginning in 2024, if you reach the Catastrophic Coverage Stage, you pay nothing for covered Part D drugs. You may have cost sharing for excluded drugs that are covered under our enhanced benefit

For specific information about your costs in these stages, look at Chapter 6, Sections 6 and 7, in your *Evidence of Coverage*.

SECTION 4 Deciding Which Plan to Choose

Section 4.1 – If you want to stay in *MyTruAdvantage Choice Plus (PPO)*

To stay in our plan, you don't need to do anything. If you do not sign up for a different plan or change to Original Medicare by December 7, you will automatically be enrolled in our MyTruAdvantage Choice Plus (PPO).

Section 4.2 – If you want to change plans

We hope to keep you as a member next year but if you want to change plans for 2024 follow these steps:

Step 1: Learn about and compare your choices

- You can join a different Medicare health plan,
- – *OR*– You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan. If you do not enroll in a Medicare drug plan, please see Section 2.1 regarding a potential Part D late enrollment penalty.

To learn more about Original Medicare and the different types of Medicare plans, use the Medicare Plan Finder (www.medicare.gov/plan-compare), read the *Medicare & You 2024* handbook, call your State Health Insurance Assistance Program (see Section 5), or call Medicare (see Section 8.2).

As a reminder, MyTruAdvantage Choice Plus (PPO) (Southeastern Indiana Health Organization, Inc.) offers other Medicare health plans. These other plans may differ in coverage, monthly premiums, and cost-sharing amounts.

Step 2: Change your coverage

- To **change to a different Medicare health plan**, enroll in the new plan. You will automatically be disenrolled from MyTruAdvantage Choice Plus (PPO).
- To **change to Original Medicare with a prescription drug plan**, enroll in the new drug plan. You will automatically be disenrolled from MyTruAdvantage Choice Plus (PPO).
- To **change to Original Medicare without a prescription drug plan**, you must either:
 - Send us a written request to disenroll
 - Contact Member Services if you need more information on how to do so.
 - – *OR* – Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

SECTION 5 Deadline for Changing Plans

If you want to change to a different plan or to Original Medicare for next year, you can do it from **October 15 until December 7**. The change will take effect on January 1, 2024.

Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. Examples include people with Medicaid, those who get “Extra Help” paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area.

If you enrolled in a Medicare Advantage Plan for January 1, 2024, and don’t like your plan choice, you can switch to another Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without Medicare prescription drug coverage) between January 1 and March 31, 2024.

If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (either with or without Medicare prescription

drug coverage) or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

SECTION 6 Programs That Offer Free Counseling about Medicare

The State Health Insurance Assistance Program (SHIP) is an independent government program with trained counselors in every state. In Indiana, the SHIP is called Indiana State Health Insurance Assistance Program.

It is a state program that gets money from the Federal government to give **free** local health insurance counseling to people with Medicare. Indiana State Health Insurance Assistance Program counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call Indiana State Health Insurance Assistance Program at 1-800-452-4800. You can learn more about Indiana State Health Insurance Assistance Program by visiting their website (<https://www.in.gov/ship/>).

SECTION 7 Programs That Help Pay for Prescription Drugs

You may qualify for help paying for prescription drugs. Below we list different kinds of help:

- **“Extra Help” from Medicare.** People with limited incomes may qualify for “Extra Help” to pay for their prescription drug costs. If you qualify, Medicare could pay up to 75% or more of your drug costs including monthly prescription drug premiums, annual deductibles, and coinsurance. Additionally, those who qualify will not have a coverage gap or late enrollment penalty. To see if you qualify, call:
 - 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048, 24 hours a day/7 days a week;
 - The Social Security Office at 1-800-772-1213 between 8 am and 7 pm, Monday through Friday for a representative. Automated messages are available 24 hours a day. TTY users should call, 1-800-325-0778; or
 - Your State Medicaid Office (applications).
- **Help from your state’s pharmaceutical assistance program.** Indiana has a program called HoosierRx that helps people pay for prescription drugs based on their financial need, age, or medical condition. To learn more about the program, check with your State Health Insurance Assistance Program.
- **Prescription Cost-sharing Assistance for Persons with HIV/AIDS.** The AIDS Drug Assistance Program (ADAP) helps ensure that ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. Individuals must meet certain criteria, including proof of State residence and HIV status, low income as defined by the State, and uninsured/under-insured status. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through the Indiana State Department of Health, HIV/STD Viral Hepatitis Division. For information

on eligibility criteria, covered drugs, or how to enroll in the program, please call 1-866-588-4948.
